

SUZY TODD SEWING PUBLICATIONS

FEBRUARY

NEWSLETTER

Hello sewer and fabric lover,

Well, it's February already, my favourite month, first hints of sunshine, first flowers popping up etc...

So, what's new in the world of Sewing Publications this month...

New Sewing Patterns release:

Last month I hinted about some new patterns in the SUZY TODD BABY range.

They've arrived!

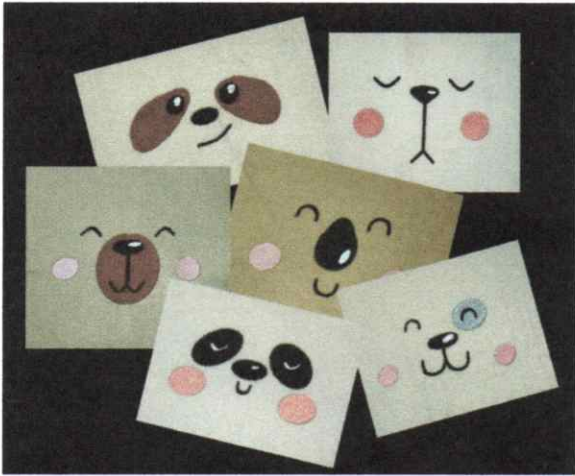

Both patterns include full sized pattern pieces and full colour clear instruction to make these lovely baby HATS or COATS.

They're available as paper patterns (from eBay and Etsy) or digital downloads (Etsy only).

This month's featured publication:

Not strictly a publication, but I have recently created these cute, embroidered, felt panels to be used in doll and toy making.

(Check out my doll and toy patterns)

These, and many more like them are available on my eBay page, and will also be on Etsy soon.

Coming soon:

I'm working on a new book based on my bestselling sewing pattern, which is for a Memory Bear.

The book will not only include this sewing pattern, it will also show detail how to make memory cushions from shirts, as well as other ways to use a loved one's clothing to make keepsakes.

It's still a work in progress at the moment, so no release date available as yet, but, WATCH THIS SPACE...
