

SUZY TODD SEWING PUBLICATIONS

DECEMBER NEWSLETTER

Merry Christmas dear sewer and fabric lover,

Just a word to let you know what's new this month, and what to look out for in the near future.

New book release – Every Sewer's Yearbook & Planner

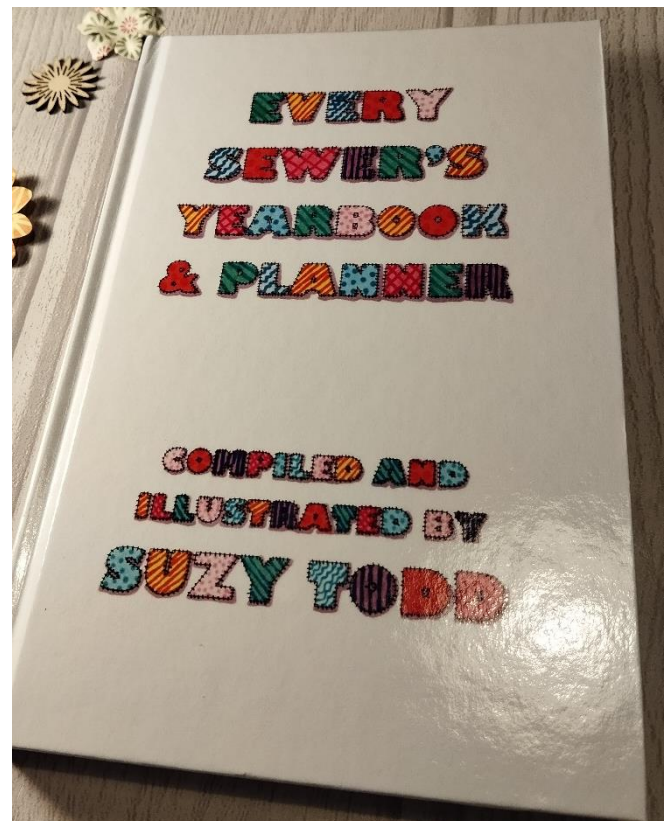

This cute, little book is an ideal addition to your sewing equipment. It combines a weekly planner, to do lists and a note book with pastel-coloured pages. In addition, it has full instructions for twelve, easy sew makes, one for each month of the year.

The planner pages are illustrated in a sewing theme, and have fun and inspirational notes scattered amongst them.

There are no fixed dates in this planner, so it can be started, or paused at any time, and can be used for any year.

This would make an ideal gift for any sewing enthusiast, or beginner.

Also available is a matching notebook with 200 blank pages, so you can let your imagination run wild. Both are available from Amazon, eBay or Etsy (see links at end of letter)

This month's featured sewing pattern:

CUDDLY SLOTH

This easy pattern makes an adorable 15" toy sloth, with grippable, Velcro hands and feet. It is available on eBay, Etsy or direct from my website www.suzytodd.co.uk/sewingpatterns

It comes with buying options ranging from the pattern alone, or a full kit with

everything you need (face, eyes, Velcro etc) except the fabric and filling.
