

SUZY TODD SEWING PUBLICATIONS

NOVEMBER

NEWSLETTER

Hello sewer and fabric lover,

Just a word to let you know what's new this month, and what to look out for in the near future.

New book release:

HOW TO CHEAT AT PATCHWORK – a guide to getting perfect results without following the rules

Available in hard cover, or paper back from Amazon, eBay or Etsy (see links at end of letter)

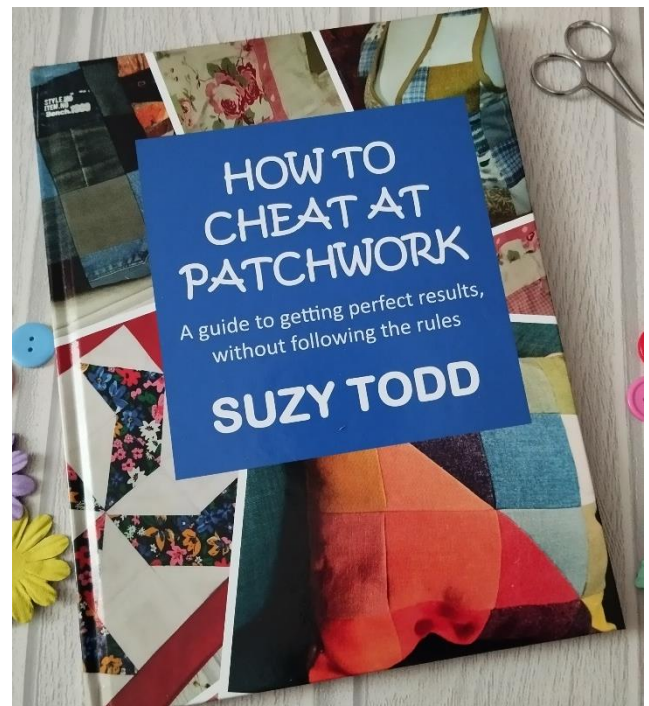

There's traditional English patchwork... And then there's Suzy Todd patchwork... with rough cut fabric pieces, no worrying about seam allowances, and very little measuring.

You may think this sounds like a recipe for disaster, but even though there is minimal use of a tape measure, with this kind of patchwork you'll still get accurate square, crisp joins and perfect points.

This book will show you how to make some really intricate patterns whilst cheating on all the rules.

Patchwork is a wonderful way to use up those bits of fabric that aren't big enough to make anything else, and this book gives you some great ideas as well as step by step instructions for a handful of "makes" to use up your own scraps.

Just start with a patch, and work from there.

This month's featured sewing patterns:

Find my selection of Barbie (or similar) doll's clothes patterns, on eBay, Etsy or direct from my website
